Dear Gary,

I just wanted to drop you a short line to thank you for all the help that you have given me, for a regular customer it would have been good but to take up on my behalf a warranty claim when you did not supply the item I feel is most commendable.

The health care unit that I have has performed excellently, I end up having to switch it on for only a few hours a week, and I need to use no chemicals although I chose to oxidise about every 6 months. The health clear unit keeps the pool water sparklingly clean for effectively no cost.

Thank you.
